5th ANNUAL MATTRESS SALE FUNDRAISER

On Sunday November 3rd, our Marshfield Friends of Music are pleased to host our 5th annual mattress sale! This sale was **VERY** successful for us the last four years and we now have the opportunity to run our fifth sale. **So far, we raised more than \$55,460**, and we need to make sure that you are aware of this event and ask you to help us spread the word to your extended family, co-workers, neighbors, and friends. You'll be surprised how many people are in need of a mattress (or **Massage Chair!**), and if you find out they have been thinking about buying a mattress, **encourage them to come check this out!**

We are very excited about this fundraiser for many reasons:

- This is a **1 day event** that will raise us **several thousand dollars!**
- We do not have to sell anything, collect money or distribute any products.
- Our students can earn "personal referral" bonuses ranging from \$25-\$500.
- The company runs the event (www.customfundraisingsolutions.com), is very professional, organized, and handles most of the legwork.
- There is no expense to our program or the school and every purchase supports the students, even if you just want a pillow or sheets!
- The mattresses are extremely high quality, have outstanding warranties, and are priced up to 50% off retail.

EACH student is responsible to:

1. Find **one or two people** ("referrals") to come in and check out the sale. Did you realize 1 in 10 families buy a new mattress every year? **BE SURE TO TALK TO AT LEAST TEN FAMILIES** to find at least 1 person.
2. Hand out at least **10 personal referral flyers** to people you know. It has a spot for the student's name on the bottom so students can earn cash bonuses for referring someone that buys a mattress (**or sheets, or a Massage Chair!**). Personal copies will be distributed at the Kick-Off meeting, along with other important documents.
3. Lastly, we ask each student to sign up for either the morning or afternoon sign shift the day of the sale to help promote this event. This is a fun activity that brings in a lot of additional people to check out the sale.
